OUR STORY

Corporate Event Planning is how it all started

At Chic + Swell we are corporate special event planners and we have been planning events for over 20 years. We have had the good fortune of planning events mostly in Ottawa but also in other Canadian cities from coast to coast, in the US and abroad in Thailand and Greece.

We take our craft very seriously. **We are not party planners – we are corporate event planners, creators of memorable guest experiences, masters of creativity and wizards of logistical planning!** Our team works collaboratively to deliver world-class events and we pride ourselves on being team players with all of our industry partners.

In 2004, as the face of events was evolving, we designed a space for a prominent Ottawa event and proposed white lounge furniture for the first time. The nearest city to rent furniture from was Montreal and so we trucked in all of the furniture!

This practice continued for the next few years and our experience was not always a smooth one. On several occasions, we received furniture that was broken, couches that were yellowed or had missing buttons. Because of the distance, it made it very difficult to resolve the problem and live up to our reputation because we are only as good as the partners we surround ourselves with.

LOULOU LOUNGE

FURNITURE RENTAL

Identifying a niche in the Ottawa market coupled with our reputation as event planners, starting a furniture rental company in Ottawa was a natural next step. So in 2013, LouLou Lounge Furniture Rentals was created. Our tag line is **A furniture rental company created BY event planners FOR event planners** and it's fitting because we've selected our collections with events in mind and that includes colours, styles and ability to brand. We assist our clients with designing spaces that are not only functional but also beautiful and inviting.

We have nearly doubled our offerings in the last year and half and have expanded our warehouse and office space to better serve our clients.

Equally important to us is that our quality of products delivered matches the quality of our outstanding service.

You can rest assured knowing that pristine furniture and products will be delivered to each of your events time and time again.

Lastly, as a team, we practice positive values and put the emphasis on teamwork. We value and support one another and work closely to ensure that we deliver what we promise — to provide a positive experience to the end user every time.

An event furniture rental company, created BY event planners FOR event planners.

Our dynamic team has a combined 40+ years experience in the event industry and our primary goal is to provide service excellence each and every time.

OUR VALUES

As event planners first and foremost we understand the importance of working with trusted suppliers to provide a high level of quality and service standards for your events.

We understand events and have designed our furniture and accessory collections to reflect the needs of the events industry, be it in the field of corporate, wedding, association, sport—you name it!

WHAT IS IMPORTANT TO US

Values

Prioritizing respect, support, and inclusivity in every interaction.

Innovation

Always exploring cutting-edge ideas and trends.

Partnership

Cultivating strong collaborative relationships within our team but also with our industry partners and clients.

Accomplishment

Pursuing success with a commitment to integrity and accountability.

Engagement

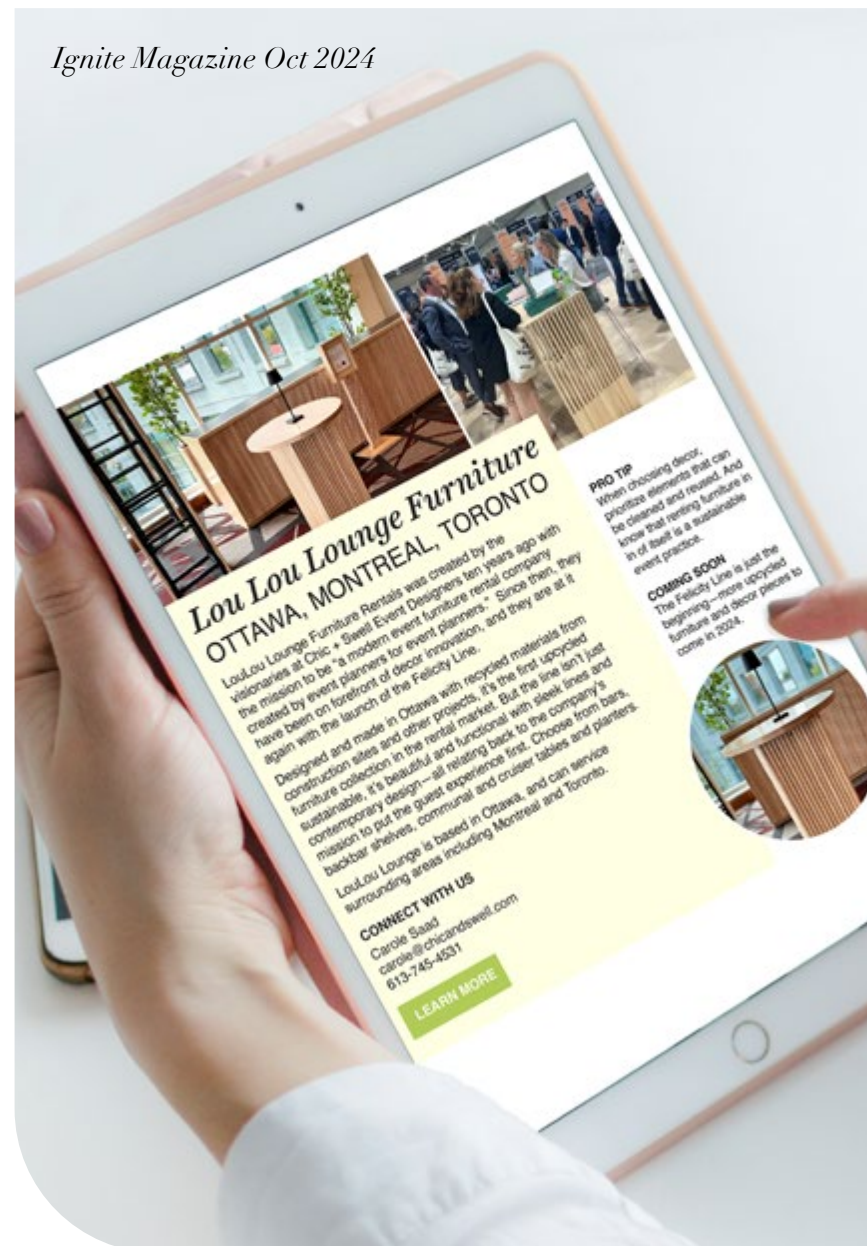

Embracing laughter and enjoyment in the work we are so passionate about.

SUSTAINABILITY INITIATIVES

LouLou Lounge has adopted a sustainability policy which is listed on our website (loulourentals.com) and we are committed to doing our part for the environment. In an industry where, unfortunately, there is a lot of waste, we've implemented different strategies to recycle and reuse whatever we can.

The furniture rental model is a sustainable one as furniture is rented and reused but here are some examples of other ways we are limiting waste :

- 🗑 Our warehouse is located a mere 5.1 km from the downtown core so our gas emissions footprint is minimal
- 🗑 We pack our trucks efficiently and plan our deliveries accordingly
- 🗑 We collect event carpets at the end of trade shows and recycle them to recover our furniture carts
- 🗑 We use LED candles instead of real candles – they are both efficient and cost - effective with no waste
- 🗑 We offer an array of rechargeable LED lamps which are a wonderful alternative to candles and centerpieces
- 🗑 We have an array of high-end faux plants and pots for room and stage decor
- 🗑 We use soap and water in reusable spray bottles and cloths to clean our furniture as a daily practice and limit chemical products for tough stains
- 🗑 We use moving blankets whenever possible to limit the amount of plastic used to wrap the furniture during moves

DIGITAL SIGNAGE

We're excited to announce the launch of our new line of LED signage, designed to enhance communication while supporting our sustainability initiative. By promoting digital over print, we're minimizing paper waste and promoting a greener alternative for our messaging needs. This initiative strengthens our commitment to environmental responsibility and empowers businesses to convey their messages more dynamically and sustainably.

INTRODUCING FELICITY...

And last but certainly not least, we are very proud to be the **first furniture rental company** to offer a line of furniture made from ethically sourced wood and salvaged materials! Our eco-friendly line called FELICITY, was designed and built right here in Ottawa. Not only is it sustainable, it is absolutely gorgeous! The workmanship is so impressive and the lines are elegant and clean making this collection easy to blend in a variety of settings. This is just the beginning of the FELICITY journey as we already have plans to add to the collection as well as create other decor elements from recycled materials.

OUR FEES

Full Service Delivery

LouLou Lounge is a turnkey operation. Our delivery fees include full set up, cleaning, and on-site adjustments. We don't simply drop off your order, and we won't leave until you're happy.

Delivery Fees

We charge a standard delivery fee of \$395.00 for the first truckload of items delivered and picked up between the hours of 9 am and 9 pm. Additional truckloads are \$395.00 each, and we'll always be sure to tell you ahead of time when an extra truck is required. Delivery fees may be higher for deliveries outside of the Ottawa region or ones that are particularly complicated.

Late Night Pick-Up Fee

Outside the hours of 9 am - 9 pm, we charge a \$350.00 late night pick-up fee.

Labour Fee

We charge a labour fee on all LouLou orders. This fee is for our warehouse staff to pick the order, pack the trucks, unload at the venue, set up the furniture according to the floor plan, wipe everything down and do it all in reverse at the end of the event. There is a minimum 4-hour call per labourer. Labour is calculated based on how many staff are required to unload the furniture on your specific order and the length of time it takes.

Rental Length

All prices are based on a three-day rental including a day for set up, the event day, and removal the day following the event. Longer events are subject to additional charges.

Outdoor Events

Not all of our furniture is suitable for outdoor or tented events. Please contact us with your specific request so we can guide you to the relevant pages of our catalogue.

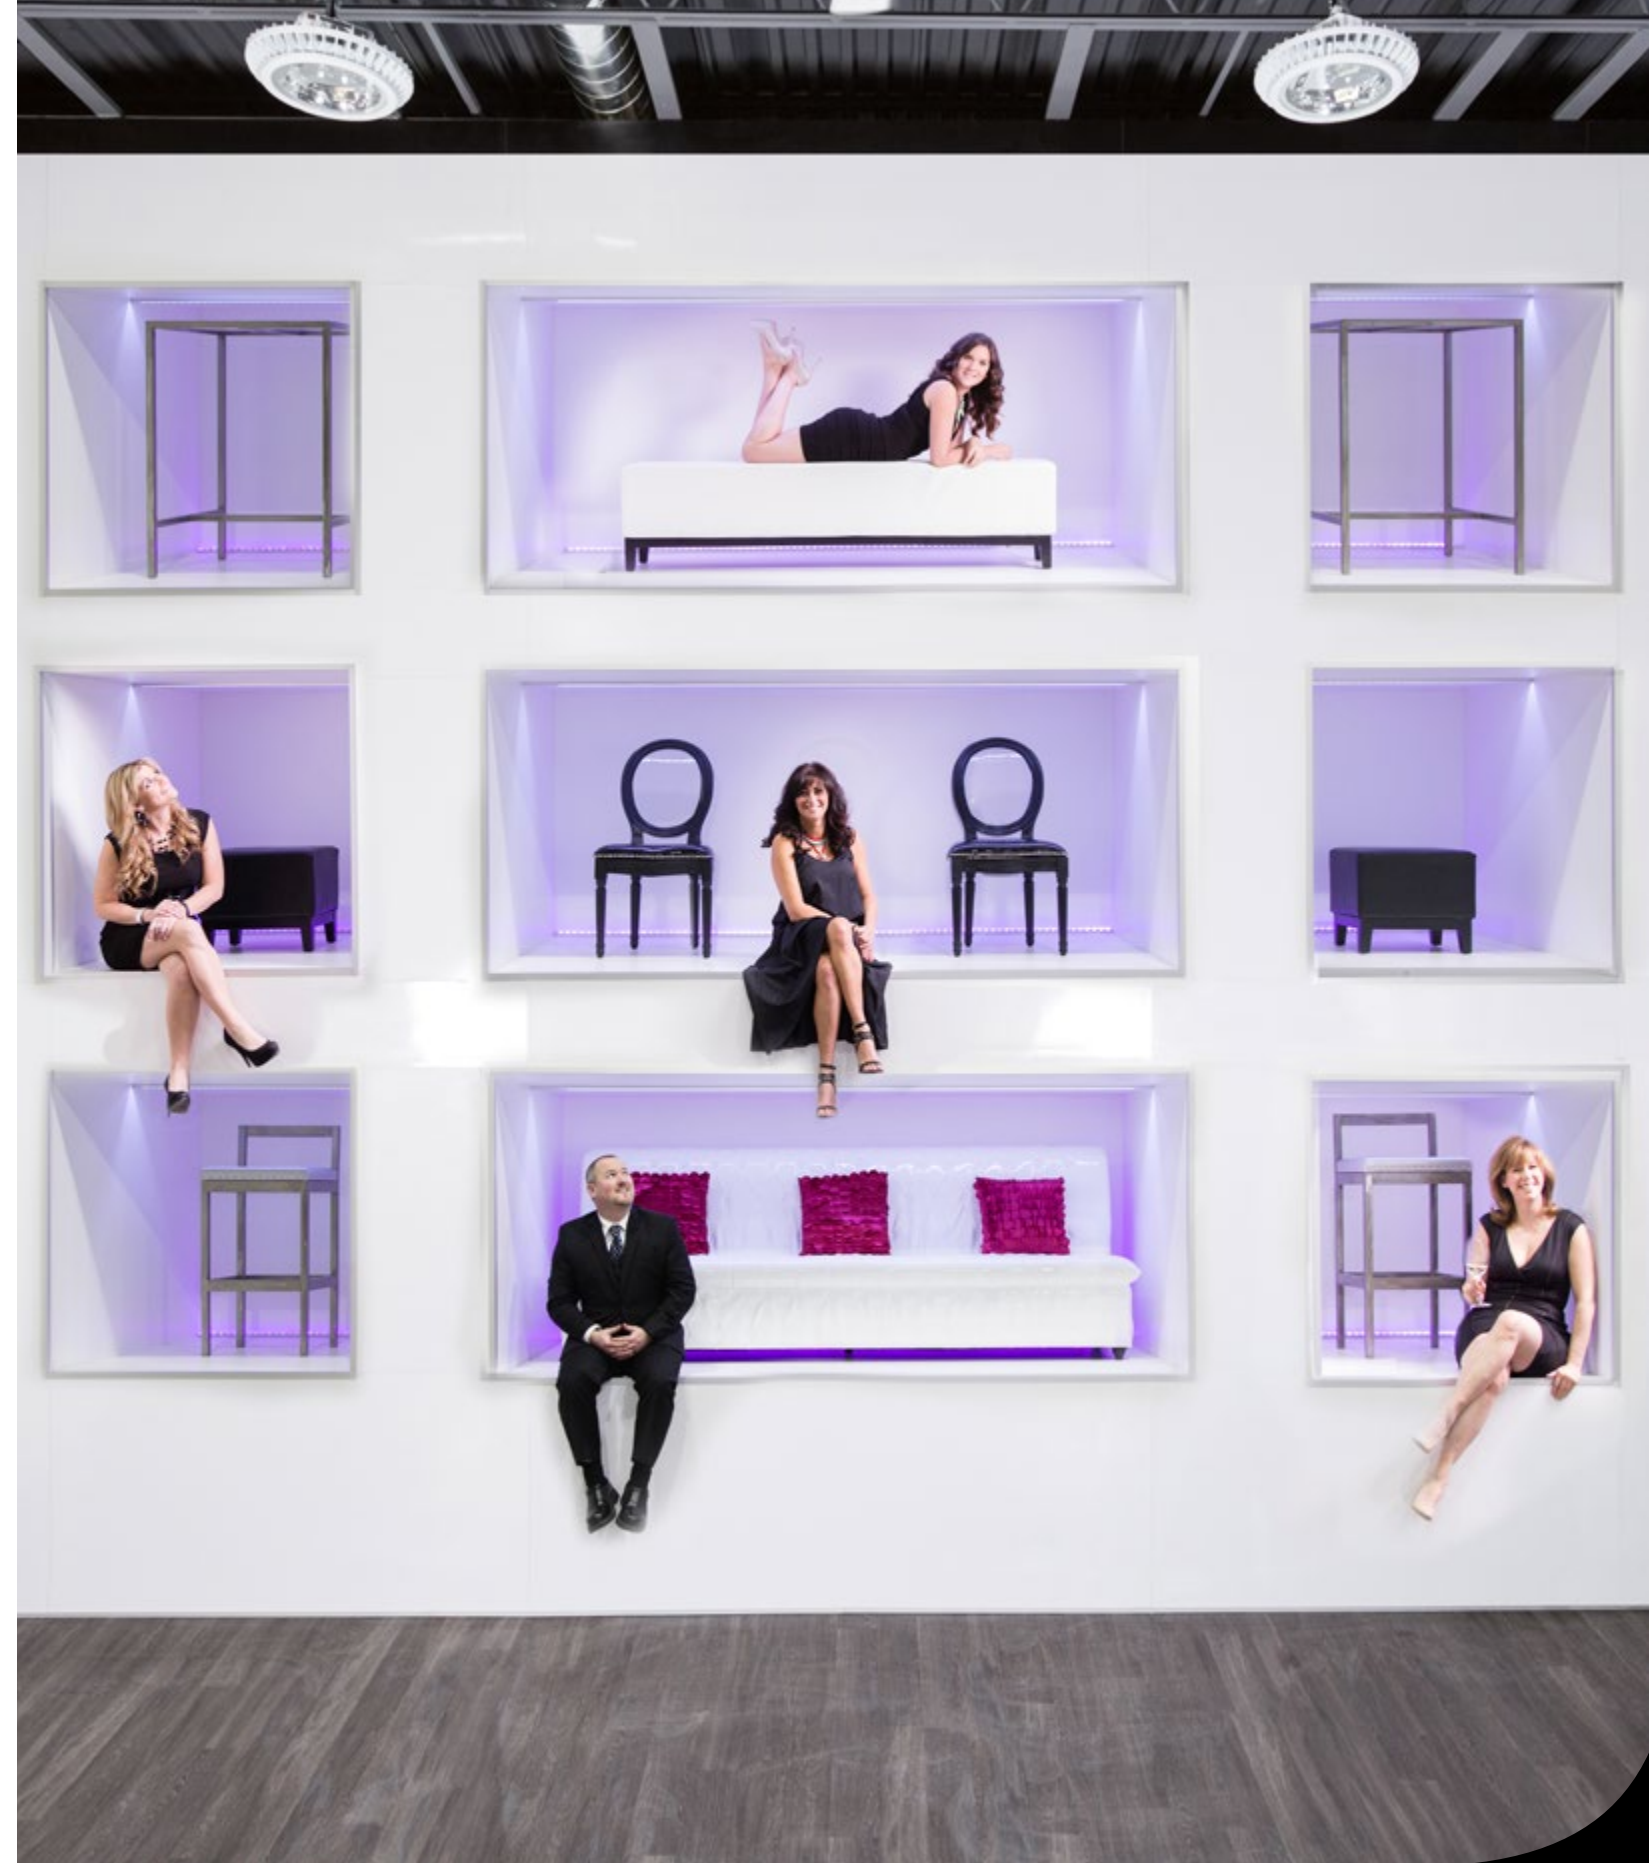

SHOW US SOME LOULOU LOVE!

We love to help make every event look sharp and stylish,
and we'd love to see how we contributed to yours.
